

Girls age 5-10 join us for a *summer of significance* at
Junior Blazers Camp

TRINITY

The Junior Blazer four week summer experience will allow girls between the ages of five and ten to interact, socialize and have fun while being exposed and welcomed into the Trinity community. Campers will have the opportunity to engage in leadership and team building activities in addition to participating in journalism, art, theater, dance, cheerleading and athletic workshops. The camp will be supervised by Trinity faculty and members of our current student body. The camp will run for sixteen days and campers will enjoy a variety of themed activities. Camp will conclude on Day 16 with a slideshow set to music featuring photos of the summer fun and a cookout on the lawn. Families will be invited to attend.
